Partner With Us to Change Women's Health

Kris Cares Foundation
Empowering Her Journey to Wellness

Our Mission

Kris Cares Foundation empowers women through education, advocacy, and access to resources that support hormonal health and overall wellness.

Too many women spend years searching for answers about their hormonal health — often dismissed, misinformed, or left to navigate it alone. We exist to change that. Through trusted education, fierce advocacy, and genuine community, we help women understand their bodies and confidently seek the care they deserve.

WHY PARTNER WITH US

Your Support Reaches More Women

1

Meaningful Impact

Directly fund education, events, and resources that change women's lives.

2

Brand Visibility

Reach an engaged, values-driven community that cares about wellness.

3

Purpose-Driven Partnership

Align your organization with a cause that matters to your customers.

WHERE YOUR INVESTMENT GOES

Initiatives You Help Power

Your sponsorship directly fuels the programs that carry our mission into communities — turning generosity into education, advocacy, and support for real women.

1

PinkHormones™

Our flagship hormone education initiative, making complex women's health science clear, approachable, and empowering.

2

EmpowerHer™

Helping women reclaim their voices and advocate confidently for the care and answers they deserve.

3

Beary™

Making hormone conversations easier and more accessible for women at every stage of life.

THE BIGGER PICTURE

Every dollar helps a woman feel seen, informed, and empowered to seek the care she deserves. Your partnership extends that reach to more women, in more communities, every year.
